### Late Registration

Space permitting, late registrations will be accepted at a prorated fee until the start of the 3<sup>rd</sup> last day of any particular camp.

### Volunteer Appreciation

If any member of a registering player's family has volunteered (without pay) 30 hours or more in support of their local school, community sports team, community association, or similar entity since September 2018, their registering youth is eligible for an appreciation discount. Contact the YAS Camps Director to receive this discount prior to registering.

### Bursary Fund

YAS annually receives grants and donations to its bursary fund. Awards from the bursary fund assist those who cannot afford all of their YAS fees. Since 1996, over \$486,000.00 in bursary assistance has been awarded. A bursary inquiry should be made by a parent, guardian or other adult extended family member at least seven days prior to registration. Every inquiry will be most welcome, will be handled and known only by the YAS Camps' Director, and will remain confidential.

## Some of What You'll Get at YAS

As soon as you register, we'll send you your confirmation letter and your multi-screened numbered camp jersey.

At camp you'll learn and develop your basketball skills with top-of-the line equipment including your choice of age-size leather basketballs supplied by Wilson Sports.

Each camp morning, you'll receive skills-development instruction and fun drills. Each afternoon, you'll take part in equal-play fun competitions and games.

### A Camp Day

- 7:45 YAS staff on site to provide courtesy supervision for early arrivals.
- 8:15 Gym opens and equipment ready.
- 8:30 Instruction and learning drills with ability sub-grouping and individual attention. Brief refreshment and snack breaks.
- 11:30 Supervised lunch break in the gym.
- 12:00 Equal play skills-reinforcement games. Brief refreshment and snack breaks.
- 3:00 End of camp day. Courtesy on-site supervision available until 3:15 pm.

Note: Bring your own lunch, snacks & refreshments.

### Final Camp Day Tournament

Depending on campers' skills-development progress at a particular camp, YAS staff may decide that campers are ready for an equal-play full tournament to be held on the final day of that camp. YAS campers may also be invited to bring an age-eligible friend who is not involved in any other 2019 summer sports camp.

### Multi-camp Program

Many youths maximize their skills development by attending multiple YAS camps during one summer. Their greatest skills improvement occurs during their 2nd, 3rd and 4th camps of the summer. Within a particular age group each camp is similar, but different.

**Explanation:** During every camp, a core of fundamentals is learned, reviewed and drilled 20% of the time. During every camp, new skills unique to that camp are introduced and learned 40% of the time. During every camp, new, equal-play, and fun skills-reinforcement competitions and games are learned and played 40% of the time. Please note that no YAS camp is a prerequisite to another YAS camp.

### Optional Hoodie(s)

Popular YAS-Logo hoodie \$40.00 if purchased at the time of registration or at the gym. \$50.00 at any other time (includes shipping cost). Colour: Black or Red Sizes: Y Lg to A XXXLarge. Recommended: one size larger than your jersey size. See hoodie photos at "Store" link on our web site.

## Summer Basketball School

14,076 players from 276 communities have graduated from YAS summer camps since YAS was founded. Here's what professional educators and accomplished coaches say is "why."

YAS differs dramatically from all other summer sports camps in very positive ways. First and foremost, YAS is headed by professionally-certified teacher-coaches who are specialized in the psychology of learning, especially for youths and teens. They know and understand what makes youths want to learn and play basketball, whether they are at novice, fundamentals, developing, advanced or highly competitive levels.

The YAS basketball skills-development curriculum is unique and innovative. It's constantly being reviewed and adjusted to match what attracts youths of every level of athletic ability and playing experience: it's fun, well-organized, educationally-sound, challenging, highly motivating and personally rewarding.
