### Fee Payment and Refund Policy

A youth's full camp(s) fee(s) is due immediately at the time of registration. Their registration will then be deemed finalized, and their confirmation package including their numbered camp jersey will be mailed or couriered to their parent or guardian.

If the youth is registered for a camp and that camp is cancelled by us, their parent or guardian will have the choice to either transfer to another YAS 2021 camp, or to accept a full refund.

If the youth is registered for a camp and that camp is not-cancelled by us, and the player is withdrawn at least eight (8) days before the start of that camp, a 50% refund will be paid to the parent or guardian.

If a youth is registered for a camp and that camp is not-cancelled by us, and the player is withdrawn seven (7) or less days before the start of that camp, or does not show up for that camp, their entire fee will be forfeited.

Withdrawals and transfers must be made by email or otherwise in writing to YAS by the same parent or guardian who initially registered the youth, and will take effect on the date that they receive a confirmation of withdrawal or transfer reply from YAS.

### A Typical Camp Day

- 7:45 Courtesy supervision for early arrivals.
  - 8:15 Gym opens and equipment ready.
  - 8:30 Instruction and learning drills with ability sub-grouping and individual attention. Brief refreshment and snack breaks.
  - 11:30 Supervised lunch break.
  - 12:00 Equal-play skills-reinforcement games. Brief refreshment and snack breaks.
  - 3:00 End of camp day. Courtesy on-site supervision available until 3:15 pm.
- Note: Bring your own lunch, snacks, face mask, refreshments and water bottle.

### Multi-camp Summer

Many youths maximize their skills development by attending multiple YAS camps during one summer. Their greatest skills improvement occurs during their 2nd, 3rd and 4th camps of the summer. Within each camp age group each camp is similar, but different.

Explanation: During every camp, a core of fundamentals will be learned, reviewed and drilled 20% of the time.

During every camp, new skills will be introduced and learned 40% of the time.

During every camp, new, equal-play, and fun skills-reinforcement competitions and games will be learned and played 40% of the time.

No camp will be a prerequisite to another camp. A youth may be registered in different age levels.

For Example: a 9 year old may be registered for an Under 10 camp one week, and for an Under 12 camp another week.

### Bursary Subsidy Fund

YAS annually receives grants and donations to its bursary fund. Since 1996, over \$530,000.00 in subsidies have been awarded. A bursary inquiry should be made by a parent, grandparent, guardian or other adult extended-family member at least 14 days before they register their youth(s). Every inquiry and award will be most welcome, will be handled and known only by the YAS Camps' Director, and will remain confidential.

### Optional Hoodie(s)

YAS-Logo hoodie costs \$40.00 if purchased at the time of registration. YAS hoodies are also available from the YAS office all year around for \$40.00 each plus \$10.00 shipping cost.  
Colours: Black or Red Sizes: YLg to AXXLarge.  
Recommended: Order your hoodie one size larger than your YAS jersey size. See hoodie photos at the "Store" link on our web site.

## Summer Basketball Camps

14,846 players from 278 communities have graduated from YAS summer camps since YAS was founded in 1975.

YAS differs dramatically from all other summer sports camps in very positive ways. First and foremost, YAS is headed by professionally-certified teacher-coaches who are specialized in the psychology of learning, especially for youths and teens, whether they are at basics, fundamentals, developmental, advanced or competitive levels.

The YAS basketball skills-development program is unique and innovative. It's constantly being adapted to match what currently attracts youths of every level of athletic ability and playing experience.

YAS camps are well-organized, developmental and fun.
