Registrations for Camps Open

Tuesday, May 10, 2022

Each camp's registration "deadline" will be when that camp is full or at the start of the third last day of that camp

How to Register for Camp(s)

Register on line at:

www.yas.ca

or

Register by telephone:

(306) 585 - 2020 in Regina
(306) 242 - 2425 in Saskatoon

or

Mail your registration form and fee to:

YAS
Box 27020, 2105 8th Street East
Saskatoon SK S7H 5N9

or

Bring your registration form and full fee to a YAS staff member at our gym while a camp is in session:

Fee Payment and Refund Policy

The full camp(s) fee(s) is due immediately at the time of registration. The registration will then be deemed finalized, and the player's detailed confirmation package including their numbered camp jersey will be mailed or couriered to the person or entity that registered the player, i.e. parent, guardian, grandparent, other family member, sponsoring person or entity, etc.

If the player is registered for a camp and that camp is cancelled by us, the adult or entity that registered the youth will have the choice to either transfer to another YAS 2022 camp, or to accept a full refund.

If the player is registered for a camp and that camp is not-cancelled by us, and the player is withdrawn at least eight (8) days before the start of that camp, a 50% refund will be paid to the adult or entity that registered the youth.

If a player is registered for a camp and that camp is not-cancelled by us, and the player is withdrawn seven (7) or less days before the start of that camp, or does not show up for that camp, their entire fee will be forfeited.

A withdrawal or transfer must be received by email or otherwise in writing from the adult who initially registered the youth.

A Typical Camp Day

- 7:45 Courtesy supervision for early arrivals.
 - 8:00 Gym opens and equipment ready.
 - 8:30 Instruction and learning drills with ability sub-grouping and individual attention. Brief refreshment and snack breaks.
 - 11:30 Supervised lunch break.
 - 12:00 Equal-play skills-reinforcement games. Brief refreshment and snack breaks.
 - 3:00 End of camp day. Courtesy on-site supervision available until 3:15 pm.
- Note: Bring your own lunch, snacks, water bottle and refreshments.

Multi-camp Summer

Many youths maximize their skills development by attending multiple YAS camps during one summer. Their greatest skills improvement occurs during their 2nd, 3rd and 4th camps of the summer. Within each camp age group each camp is similar, but different.

Explanation: During every camp, a core of fundamentals will be learned, reviewed and drilled 20% of the time.

During every camp, new skills will be introduced and learned 40% of the time.

During every camp, new, equal-play, and fun skills-reinforcement competitions and games will be learned and played 40% of the time.

No camp will be a prerequisite to another camp. A youth may be registered in different age levels.

For Example: a 9 year old may be registered for an Under 10 camp one week, and for an Under 12 camp another week.

Bursary Subsidy Fund

YAS annually receives grants and donations to its bursary fund subsidy program. Since 1996, over \$545,000.00 in subsidies have been awarded.

A bursary inquiry should be made by a parent, grandparent, guardian or other adult extended-family member at least 14 days before they register their youth(s). Every inquiry will be most welcome, and will be confidentially handled by the YAS Camps' Director, (a principal during the regular school year).

Optional Hoodie(s)

A YAS-Logo hoodie may be purchased at the time of registration or at the gym for \$40.00 (delivery cost included). Otherwise, hoodies are available all year around for \$50.00 (which includes delivery cost).

Size Range: YLg, A Sm to AXXLarge. We recommend ordering a hoodie one size larger than your YAS jersey size. See hoodie photos at the "Store" link on our web site.

47th Annual Summer Basketball School

14,938 players from 278 communities have graduated from YAS basketball school since YAS was founded in 1975.

YAS differs dramatically from all other summer sports schools and camps in very positive ways. First and foremost, YAS is headed by professionally-certified teacher-coaches who are specialized in the psychology of learning, especially for youths and teens whether they are at basics, fundamentals, developmental, advanced or competitive levels.

The YAS basketball skills-development program is unique and innovative. It's constantly being adapted to match what currently attracts players of all ages, of every level of athletic ability, and of every playing experience background.

YAS camps are well-organized, developmental and fun.

Thank You

Professional teachers, school coaches, academics and health-care professionals for recommending and supporting YAS camps for over 46 years.
